Official Notice of Board Closure Effective October 1, 2026

To Practitioners, Patients and their Families,

This letter serves as formal notification that **The Alabama State Board of Prosthetists and Orthotists will cease operations effective October 1, 2026.** This decision follows recent legislative and administrative actions that call for the discontinuation of the Board's regulatory functions.

All licensing, compliance, and administrative duties currently overseen by the Board will conclude as of the effective date and no new licenses will be approved starting **July 1, 2026.** Additional guidance regarding the transition of responsibilities, record retention, and future regulatory oversight will be communicated as those details are finalized. Please check your email for updates in the next few weeks.

We extend our sincere appreciation to the professionals, stakeholders, and members of the public who have supported the Board's mission over the years. Your commitment to high standards of prosthetic and orthotic care in Alabama has been invaluable.

For questions during this transition period, please contact our office at the numbers and addresses below.

Sincerely,

Ronald E. Ezell,

Executive Director
Alabama State Board of Prosthetists and
Orthotists
